

global alliance between Wheels Donlen and ALD Automotive will continue as the company collaborates with ALD to serve clients in 59 countries with over 2.7 million vehicles.

The Athene-led investment is focused on long-term stability and best in class customer service. There will be a focus on a measured approach to integration to ensure a seamless and enhanced client experience. Additionally, the depth and breadth of Athene's funding and financing capabilities is expected to allow the company to offer clients an enhanced suite of solutions addressing a myriad of fleet and other needs.

Athene is part of Apollo, a high-growth, global alternative asset manager. For Apollo and Athene, the combined company adds to the scale of their
